SMALL SIZE, GREAT VALUE

The IJ-25 combines advanced digital technology with a sleek look and compact dimensions to comfortably fit into any modern office environment. High-quality digital printing gives crisp, clean impressions and a quiet performance. The IJ-25 processes envelopes up to 3/8" thick or prints self-adhesive labels for packages or flats.

EXACT RATES, LOWER POSTAGE COSTS

The IJ-25 always meters the exact postage. The integrated electronic scale accurately sets the machine to the correct postage, so you cut out the risk of over or under stamping.
