# HD-C17n

## COLOR PRINTER

The HD-C17n full-color printer is a groundbreaking combination of performance and versatility. Compact in size yet big on media flexibility, this affordable color printer enables you to print documents in letter, tabloid and even 52-inch banner formats in high definition color. Businesses can enjoy the benefits of wide-format color whenever it's needed, with enhanced cost controls and document security.

The outstanding color quality of the HD-C17n is delivered even on ordinary office paper, no special media are required, helping to control costs while producing breathtaking output. With Single Pass Color™ Digital LED technology, the printer's straight paper path easily handles media up to 80 lb. cover stock. And the two-sided printing capability of duplex-equipped models saves supplies and costs.

With print speeds of up to 30 ppm in color, 32 ppm in monochrome and a time to first color page of 10 seconds, the HD-C17n printer keeps work flowing. With full networking capability out of the box, plus high-speed USB 2.0 and parallel connectivity, fast printing speeds and magnificent output are available to workgroups and individuals.
